ANTIQUE VEHICLE LICENSE PLATES

ILLINOIS DOCUMENTS

ILLINOIS STATE LIBRARY

Jesse White
Secretary of State

Antique Vehicle License Plates are issued for a five-year registration period. Current Antique Vehicle/Motorcycle plates expire Dec. 31, 2009. To qualify for Antique plates, motor vehicles, including motorcycles, must be more than 25 years old. Firefighting vehicles must be at least 20 years old.

Vehicles displaying these plates may only be driven to and from an antique auto show or exhibition, service station or demonstration. The mechanical and physical condition of the vehicle, including brakes, lights, glass and appearance, must be the same or as safe as originally equipped.

An antique vehicle may be a "bona fide replica" — an exact copy of the original in design, frame and mechanical operation. "Facsimiles" — close, but not exact, reproductions of the original — do not qualify for Antique Vehicle/Motorcycle plates.

Historical License Plates, representing the model year, may be displayed on an antique vehicle; however, current Antique Vehicle/Motorcycle plates and registration ID card must be kept in the vehicle at all times.

Applications and Antique Verification forms are available at your local Secretary of State facility or by contacting: **Secretary of State Non-Standard Plates Section, 501 S. Second St., Rm. 541 Springfield, IL 62756**
